Sir,

International Helicopter Safety Team (IHST) based at USA, has recommended improvement of Safety Management System and safety culture in helicopter operations. RWSI has pioneered the conduct of Safety Management System (SMS) course and has already completed two SMS courses at Delhi and Mumbai respectively. These courses received encouraging response and were appreciated by the participants.

The next RWSI SMS capsule is scheduled to be held at Hotel Ajantha, Juhu Mumbai on 26 - 27 Nov. 2009. It is recommended that all the operators avail the opportunity and depute at least one individual from their company to attend this course.

Your cooperation will be highly appreciated.

With warm regards,

Yours sincerely,

(R.P. Sahi)

Head Helicopter Group
